

HERE'S TO NEW ADVENTURES!

FAREWELL, SIVA!

Your friends at DXC will miss you dearly.
Good luck on your new endeavor!

**HERE'S WHAT YOUR TEAMMATES WANT
TO SAY!**

“Hi Siva,

It's been a great pleasure working with you. We both started almost the same time with AURA and your growth path has been tremendous. I would like to highly appreciate your dedication and commitment on any work you do. We will surely miss you, but This is not goodbye, just farewell for now.

Best of luck for your new endeavours and the never-ending adventures. Be in touch & hoping to see you soon in this small World !”

--**Ashok Kumar Raja**

“Thank you for all your help, Siva. You have been an amazing and dependable colleague, and it was an absolute delight working with you! The team will not be the same without you. All the very best for your future and wishing you achieve greater things! Hoping to work with you again in the future if the stars so align !:)”

--**Jeena Pandit**

“Hi Siva,

I am privileged to work with you. I always admire at your learning spirit, collaboration skill, responsibility and dedication towards your role and your hardworking nature. You are one of the pillars in Automation Whom I can depend on always. I will be missing you a lot especially when we face trouble in understanding ServiceNow. I take this opportunity to wish you all the very best for the successful and fulfilling personal and professional life.”

-- **Irudaya Veni Mary**

“Hi Siva,

Wishing you all the best as you move on to new opportunities! Your expertise and support have been invaluable, and I’m sure you’ll achieve great things ahead. Good luck, and let’s stay in touch!”

--**Pramod Prabhushankar**

“Hi Siva,

Wishing you all the best as you move on to new challenges! Your technical skills, dedication, and collaboration have made a real impact, and your kindness and willingness to help others won't be forgotten. Thank you for all you've contributed, and may success follow you in every step ahead.

Cheers!”

--**Arnold Ibero**

“Hi Siva,

Working with you has been a pleasure and a privilege. You've inspired us all, and we're grateful for the time we shared. Wishing you boundless success and happiness in your next adventure. All the best!”

--**Pradeep Kumar**

“Hi Siva,

I wanted to take a moment to thank you for all the support you’ve given me. Your guidance and willingness to share your expertise made a huge difference, and I truly appreciate all the time and effort you invested to help me succeed.

Working alongside you has been an invaluable experience, and I’m grateful for everything I’ve learned from you. Looking forward to collaborating again in the future! Thanks once again.”

--Aishwarya Raja

“Hi Siva - we didn’t have the chance to work closely together, it’s been great having you on the team. I wish you all the best in your next chapter and hope it’s filled with success and happiness.”

--Manish Pattanashetti

“Hi Siva,

It was nice working with you and learning from you along the way. Your understanding of techs has always been immaculate which you were kind enough to share and explain in the easiest way possible. Thank you for always helping no matter the time and best of luck to you moving forward.

Cheers!!!”

--**Harsh Bhardwaj**

“Hi Siva,

I wanted to express my gratitude for all the hard work and dedication you’ve contributed to our MSCD and CAT team. Your expertise and commitment have greatly impacted our team, and your development work has set us up for continued success. Wishing you all the best in your new journey.”

--**Thota Chaithanya Baswanth**

“Hi Siva,

Wishing you all the best in your next role! It’s been great working on similar projects and seeing the impact you’ve had. I’m sure you’ll do awesome things in your next role! Take care, and keep in touch!”

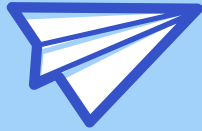

--**Bush Alex**

“Siva has been one of the integral part of the automation team who instrumented the AWS CloudWatch Anomaly Detection, he is a great team member who work as a team in delivering successful outcomes and in fact his work has made our CloudOps to be the first one to introduce the anomaly detection using cloud native service. A great person to work with”

--**Farook Babu Anwar Sadiq**

FLY HIGH AND TAKE CARE!

**WE WILL
MISS YOU!**

We hope you have a wonderful ride ahead. Please keep in touch!
Cheers, Your DXC Team
